YOU COLLECT RARE SPOONS TO COPE.

YOU'RE WASTING TIME WITH FAKE SOB STORIES. WE NEED A STRATEGY.

ASIDE FROM THAT, AUTHORITIES CONFIRM THE FAMOUS PAINTING THAT WAS DESTROYED WAS A REPLICA...
AND, ODDLY ENOUGH, IN A ROOM FULL OF PRICELESS ART AND COLLECTIBLES, THE ONLY OTHER ITEM STOLEN WAS THE MUSEUM OWNER'S FAVORITE CANINE ACCESSORY.

BREAKING NEWS

REPLICA PAINTING?

WHY DIDN'T YOU SAY SOMETHING?

OH, AS IF YOU WOULD'VE EVEN LISTENED IF HE DID?!

INDEED ..

IT IS, MY FRIENDS.

SHOW ME THE EYE.

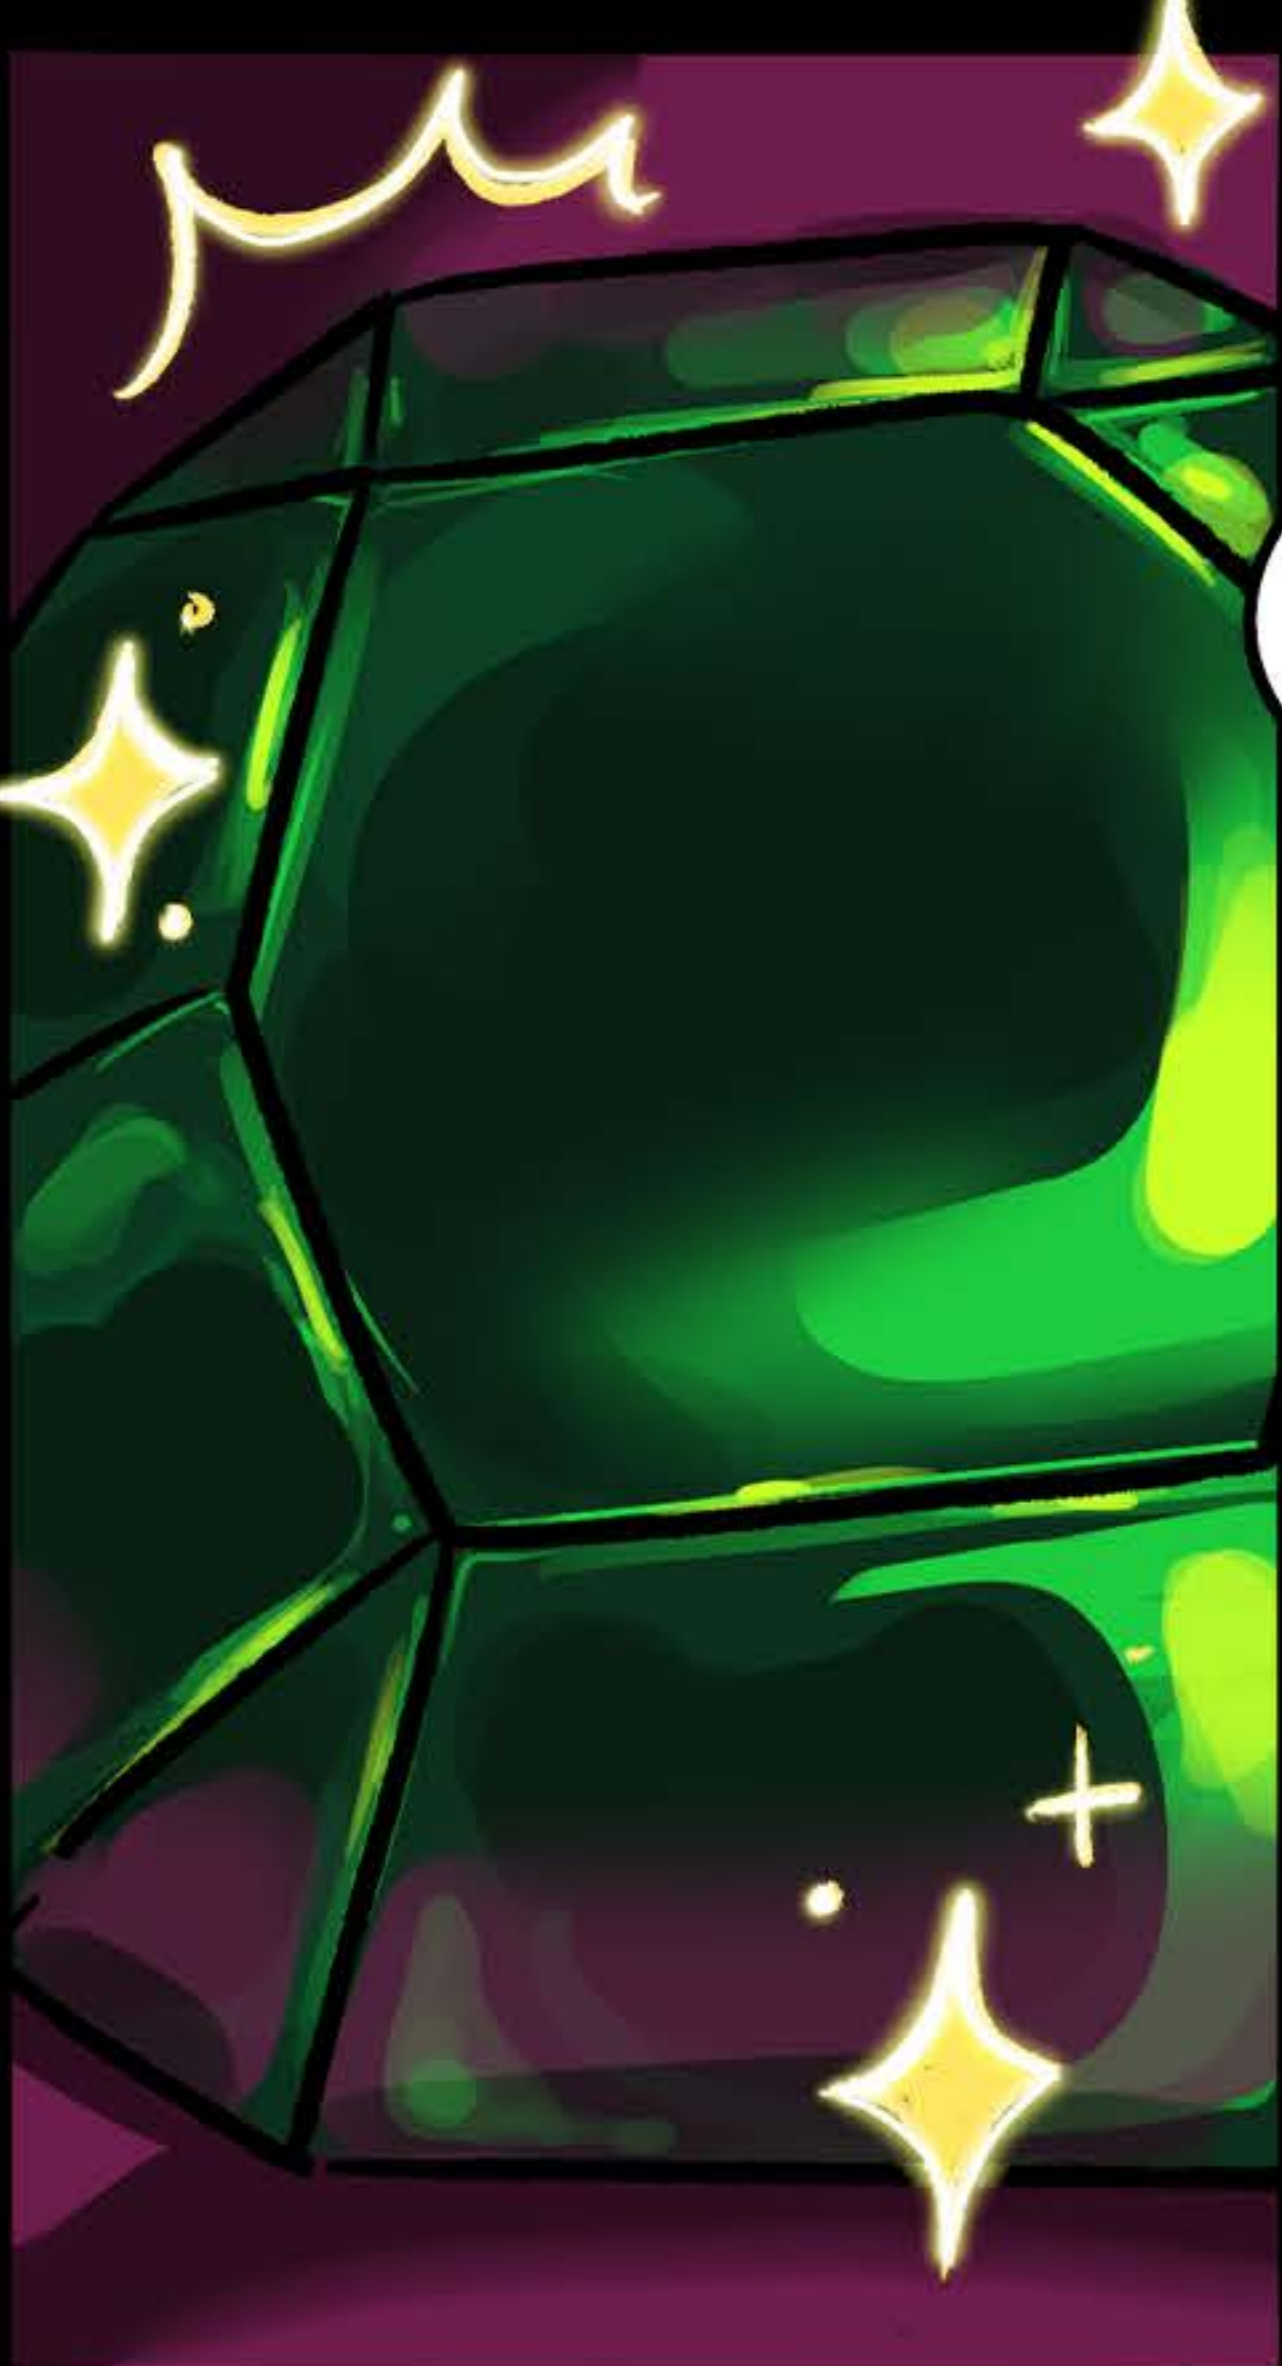

AND THOSE SHOE MUNCHERS NEVER STOOD A CHANCE.

EXQUISITE WORK, THE EYE IS WHERE IT BELONGS... WITH ME.

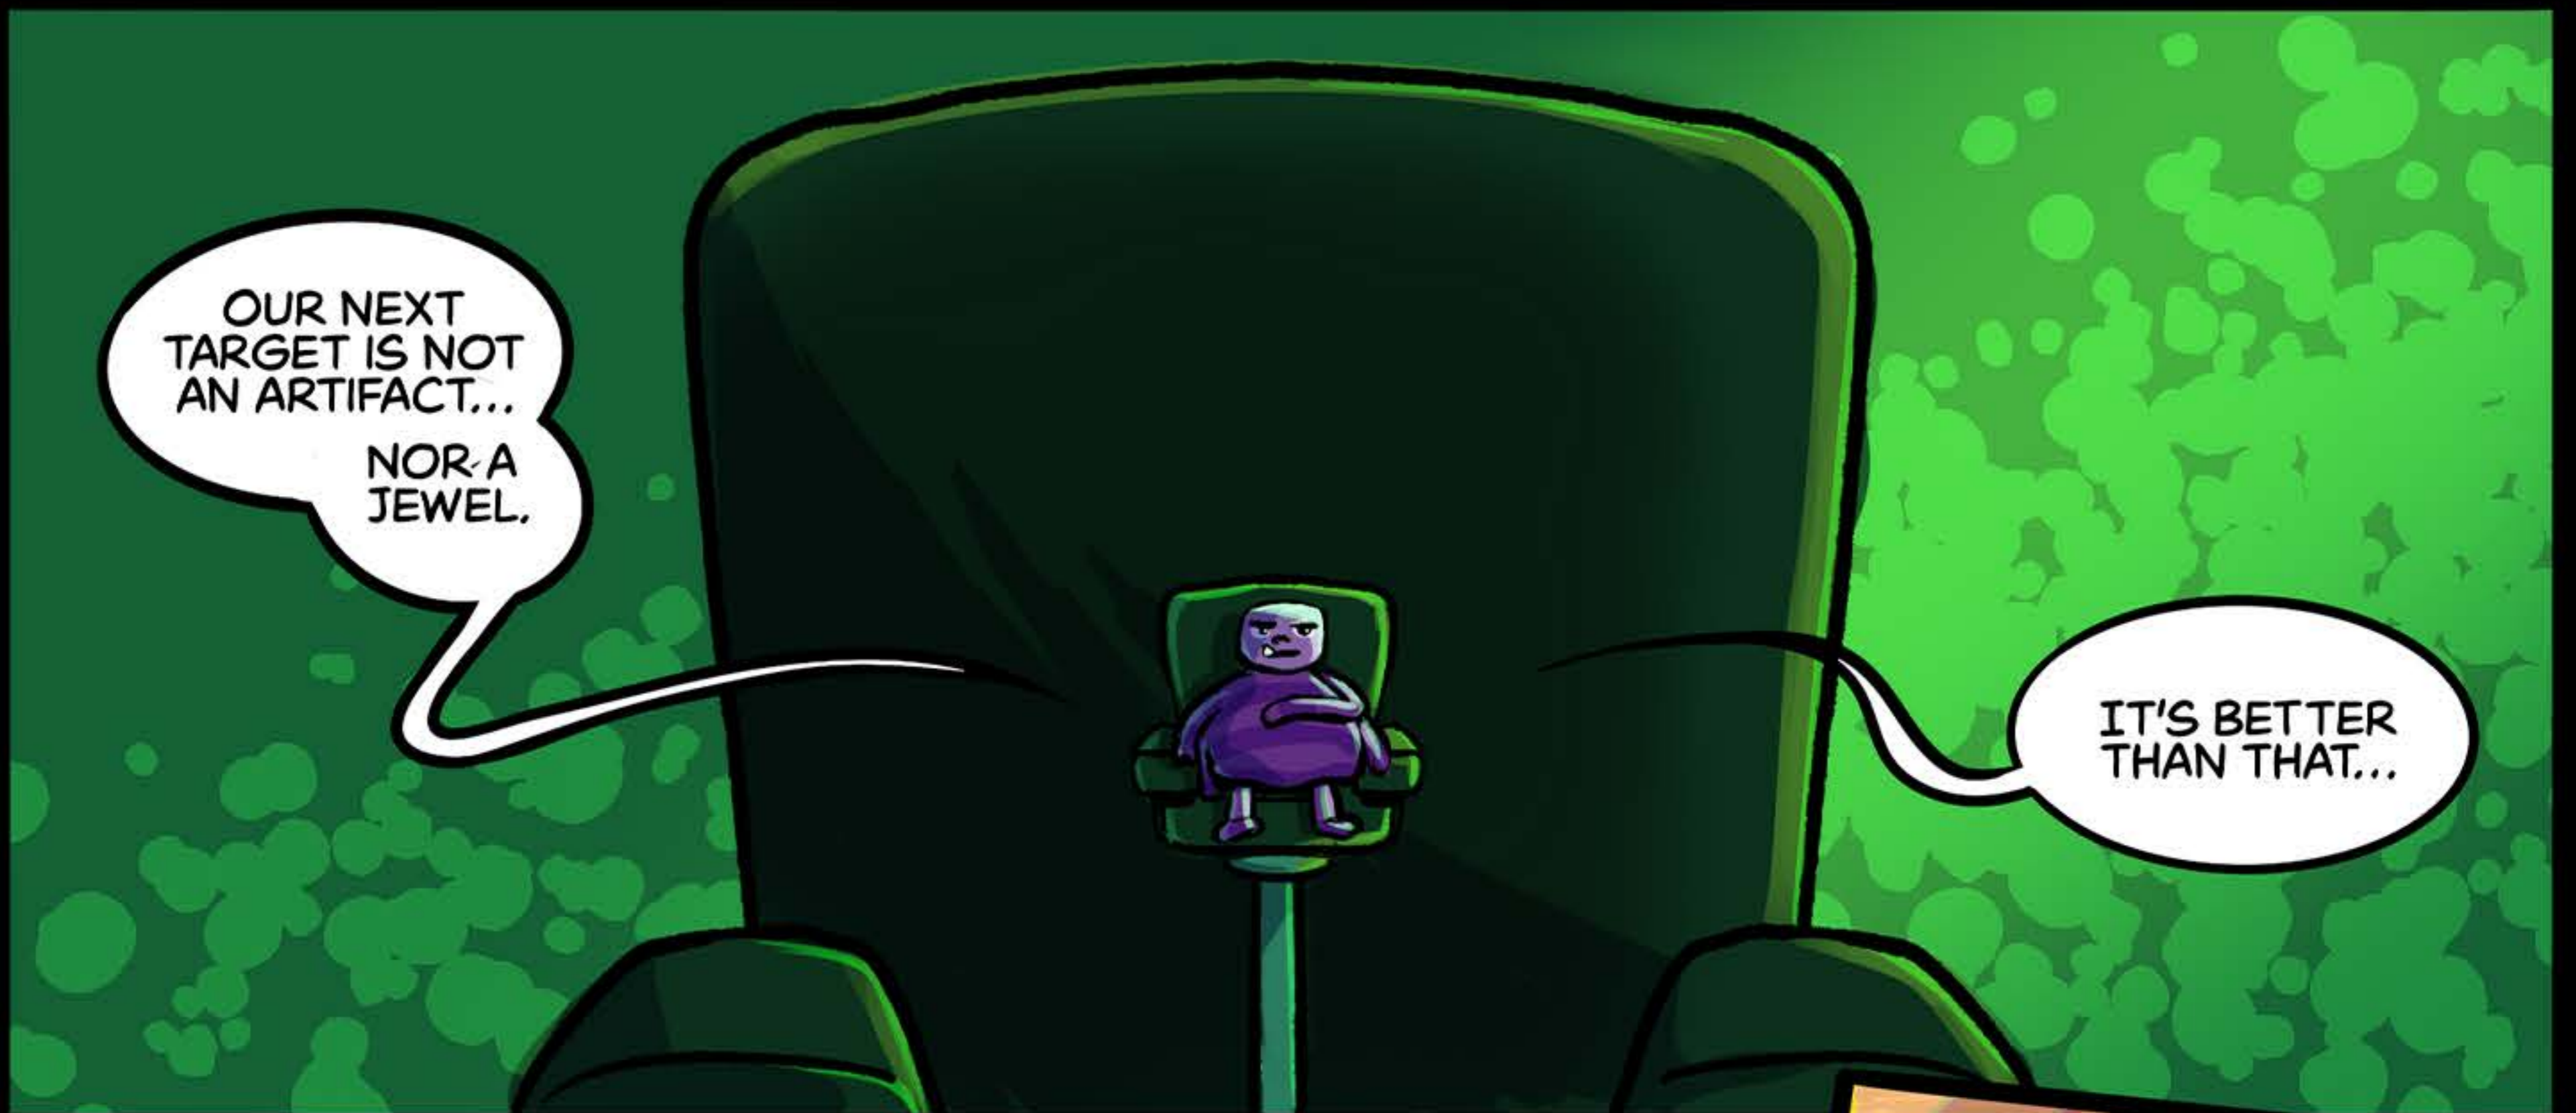

THE DOGS ARE NOT DIM. THEY ARE OBEDIENT, WHICH IS WHY I KNOW EXACTLY WHAT THEIR NEXT MOVE WILL BE.

THIS JEWEL WAS ONLY A PIECE OF THE PLAN. ...

IT WAS THE EASY PART, WHAT COMES NEXT WILL TAKE ABSOLUTE FOCUS.

OUR NEXT TARGET IS NOT AN ARTIFACT...
NOR A JEWEL.

IT'S BETTER THAN THAT...

...IT'S THE OWNER OF BARKLEY'S DOGGY DAYCARE, PENNY BARKLEY HERSELF.

LET'S GET...
TURNT.

BUILDING CHARACTERS

The dogs of VeeFriends are some of the most popular and most collected!

Doggy Daycare was one of the first “ensemble” titles that Gary pulled from his notes as we kicked off our first comics team offsite in March of 2025. The big idea from Gary, as you see in this issue, these pampered and posh pets by day become crime fighting heroes at night.

The bigger idea here from Gary is that groups of VeeFriends characters from our 250+ character library could live in their own titles & teams within the VeeFriends universe. In the comic book industry, you may think of it like the Avengers and X-Men comics, which rarely crossed over, only for big events. Issue 13 “Farm Fights” by Jim Rugg is also one of our team titles.

The VeeFriends dogs are some of our most popular and collected characters in our library.
